Christie H. Lewis, Ph. D.

Dear Ms. Lewis,

Thank you for applying to be an approved Food Handler Online Training and Testing course. After reviewing your course it was determined that StateFoodSafety.com is currently qualified to provide a certified online training and testing program. Your food handler training **permit number** is DEH2014-FFHI-000032.

The following items are the program requirements:

- The training and testing shall be a full three hours and students passing the exam with minimum grade of 80% will be issued approved food handler education certificates.
- Authorized persons from the Department of Environmental Health (DEH) shall be allowed to monitor the course on a random basis for quality and content.
- Administrative controls shall be followed to assure proper security and fraud measures are maintained.
- Student lists containing the distributed food handler certificate numbers shall be submitted monthly via the approved Excel spreadsheet along with associated fees for each certificate issued (spreadsheet attached to this email).
- Programs must maintain proper American National Standards Institute (ANSI) accreditation.
- Any proposed changes to the approved certificate or course shall be evaluated and approved by the DEH Food Handler Program Coordinator before they are implemented.

If you have any questions, please contact me at (858) 694-3614.

Sincerely,

Brad Richardson
